Precept for 2018 / 2019

Babergh has written to PPC regarding the Tax Base which will increase from **381.37** in 2017 / 18 to **381.69** in 2018 / 19.

Using the projections for income, expenditure and earmarked reserves, PPC will also need to consider the level it wishes to maintain its General Reserves. Best practice would suggest that the level of General Reserves should be somewhere between 50 -100% of main income. The 3 examples I give below show a:

Example 1 Precept of £18,302 and keeping the Band D Council Tax the same as 2017 / 18

Example 2 Precept of £18,750

Example 3 Precept of £19,000

Agenda Item 15 Internal Controls and Internal Audit processes

Under the Finance and Audit Regulations PPC must carry out a review of its systems of internal control on at least an annual basis. The regulations require the Council to carry out a review of the effectiveness of the internal controls and to consider the findings of this review. In 2011 the need for a council to review the Internal Audit was removed. However, as it appears to be a good process to undertaken annually, the current process is included for your review.

Internal Control

The Parish Council accounts are produced on an excel spreadsheet. This file along with all other data files held on behalf of the council are backed up using BT's Cloud.

All entries within the Receipts and Payments are supported by documentation that is referenced back to the excel spreadsheet. Each item of expenditure highlights the power used by Council and the minute where the expenditure was authorised. On the foot of each page of the minutes the fact that Polstead Parish Council adopted the General Power of Competence on the 21st May 2015" is noted. A list of receipts and payments to be authorised at each meeting are contained in the RFO Report.

The council holds money at Barclays Bank and these balances are reconciled in the RFO Report for each scheduled meeting of the council. A councillor also checks the bank account statements against the reconciliation report at each meeting. Councillors Flather, MacWillson and Patrick are the existing signatories for the Barclays Bank accounts. The signatories should be reviewed as there have been several occasions where 2 of the 3 signatories have not been present at a meeting which has meant the Clerk chasing round for signatures following the meeting.

The councillors are also given a Statement of Affairs vs Budget in the RFO Report for their review at each scheduled meeting. The annual budget process and figures used are attached to the minutes of the meeting held on the 16th November 2017.

VAT recoverable is normally claimed after the last meeting of the financial year in March.

No Petty Cash is held by the Council and all cash / cheques received are deposited as soon as practicable after receipt.

Internal Auditors

Heelis and Lodge were appointed as this Council's Internal Auditor at the Parish Council meeting held on 18th May 2017 minute 17/075. The two partners of Heelis and Lodge have both worked for local Councils in the past and are completely independent from this Council.

The Internal Auditors produced a professional and helpful report when the accounts were returned to the Responsible Financial Officer which you reviewed and accepted at the meeting held on the 18th May 2017 minute 17/084b.

Whilst Heelis & Lodge comply with the regulations covering the Internal Auditors, it would also appear that they meet the level of coverage required of a council of this size at a level of fee that would also appear appropriate.
