Budget 2023-24

In the budget calculations I have made the following assumptions:

Income

- Suffolk County Council and Babergh District Council will continue to pay the grants for grass cutting at the same rate as the current year
- That there are no additional new properties in the parish and therefore the numbers for Precept will remain the same. Confirmation is due during December, therefore the budget cannot be finalised until January 2023.

Expenditure

- Assumed that the £3,447 remaining for the transfer of land from the WI to the Village Hall committee will be finalised and that the payment will be made from CIL funds.
- The projects budget could be used to pay for celebrations in connection with the Coronation of King Charles
- It is assumed that the Clerk will receive a 5% pay rise to include both the cost of living and an increment on attaining the CILCA qualification.

Appendix shows the full rationale for the 2023/24 budget. Polstead Parish Council is asked to consider a total expenditure budget of ?

Below you will find tables that show a comparison between 2021/22 actual expenditure to date for 2022/23 and anticipated year end expenditure for 2022/23 and also anticipated budget for 2023/24 Prepared by Christine Hargan

Clerk Salary – I have been notified of the salary award by National Association of Local Council Clerks which is pasted below: Currently my salary is SCP 8 and the pay award should be backdated to 1 April 2022. During the next year I will be due an annual as I have been employed since 1 December last year and also an increment for completing the CiLCA qualification once the certificate is awarded.

Can I please ask for consideration that the salary is elevated to SCP 8 at the correct level and backdated to April 2022.

Business case by Angie Davey Consideration of the purchase of outdoor gym equipment for the recreation ground.

Awaiting quotation for replacement gate from Ben Patrick. I have been advised that the issue with the gate is that it rests on concrete posts and that prevents an automatic closure spring being added.
